Mentor Comment Form
Structured Experiences II.1

Due March 1

Mentor:	Protégé:
Structured Experiences II.1 Complete the Internal Improvement Review (IIR) document with your mentor to review your district's level of implementation of the comprehensive guidance program. After completing the IIR, revise or create, if necessary, an annual comprehensive guidance program evaluation plan. Include components on Program, Personnel, and Results. This evaluation plan will be based upon program objectives aligned with the CSIP, student performance data, identified instructional competencies/learner objectives and any areas of improvement needed as determined through completion of the IIR. The IIR is available at the Guidance E-Learning Center on www.mcce.org.
